Vitech Enviro Systems Private Limited

<http://www.vitechindia.org/>

We are an ISO 9001:2008 certified organization engaged in manufacturing and exporting paint shop equipment in south india. Our scope starts from concept to commissioning and services to training of personnel for the complete painting line.

About Us

Established in the year **1993**, **Vitech Enviro Systems Private Limited** is one of the top notch manufacturers and exporters of **paint shop and pollution control equipment** in **South India**. These are primarily used in all engineering, automobile, chemical, cement, industries. Apart from these, our range also finds application in Defence, Space and other public sector plants. We use quality raw material such as **sheets, ISMB, ISMC, blowers and motors** to make our range in compliance with **ISO 9001:2008** standards. Our sophisticated infrastructure is equipped with modern machines such as folding, shearing and welding, which assist us in manufacturing defect free range of products. We have a team of professionals, which works in close coordination with each other to maintain stability in the quality our range of products. Owing to meticulous efforts of our professionals, we have been able to earn huge market share and considerable amount of reputation. We are continuously progressing under the proficient guidance of **Mr. X Arokianathan, M.D** who is an ex Scientist from ISRO. He is chairman of South India Surface Coating Conference and Dist Chairman of Lions Club International. His 34 years of experience and strong leadership abilities have helped us secure huge base of clients not only in South India, but also in Sri Lanka and Saudi Arabia. The Design engineering, production and project execution team is Headed by **Mr. Keshav...**
